

# What is Fuel?

Fuel Weekend is a high impact, fast paced weekend that is sure to make a difference in your life. The PURPOSE of Fuel weekend is to teach and demonstrate to students in grades 6-12 how to live an authentic Christian lifestyle that will be pleasing to God.

The weekend will be led by trained "guest leaders" who work with students on a regular basis. Each student will be placed in a "Host Home" of families in our church with 10-12 other youth of their same gender, age and a leader.

Fuel Weekend will consist of powerful Bible Studies, recreation, food, fun, special events and other crazy stuff.
